Pt Augusta Grewal Cup 2010 Report

G'day Fellow Gentleman Golfers...After having travelled more than 300 KM in the wee hours of Saturday Morning, (12 members travelling in the bus, 5 members driving and 4 members staying overnight) gathered at the first tee with fine weather at the Pt Augusta Golf Club. Some locals teed off ahead and others joined in with us. The group teed up on the 1st hole with our host Mahanbir representing the Grewals got under way at 10.30 am. The break after nine holes was welcome with pies and beer and the field continued on after the lunch break. The greens were playing havoc and some of us were struggling.

The 19th hole at the club was most welcome with our host, Mahanbir turning on the beer tap for the golfers. Everyone had a good drink since no one had to drive.

Presentation took place in the clubhouse and thanks to Dr Davinder Grewal for giving away the prizes. Davinder on behalf of the Grewal family thanked everyone making a trip to Pt Augusta. The winner of the Grewal Cup was our consistent new crock, Narinder on an excellent 39 points; runner up was Gary Padde on 35 points and third was James Arok on 32. The rookie, Surinder Kumar was 4th also on 32 points. The scores were better than previous years. There were two longest drives and first on 2nd hole was taken by Sushil and Parvin took out the one on the 18th hole. The Naga went to our host Mahanbir, and he was first to have a hat trick not passing the ladies tees on 16, 17, and 18th Hole. Like a gentleman, he bought the three jugs for not crossing the ladies tees.

Saturday evening dinner was organised beautifully by the Grewal family at the Standpipe Hotel. The food was superb with all having second serves. The company was, as always stimulating.

Thanks to our sponsor Mahanbir & the Grewal families for their sponsorship of this event. All those who attended certainly had a great time and look forward to returning next year. Thank you to our hosts for a well-planned and fun filled weekend that was enjoyed by all.

Leader board

Narinder has gone further ahead with 88 and James on 80 and Conrad on 72 are chasing.
